THE PONTIFICAL GOOD FRIDAY COLLECTION IS APPLIED TO THESE PROGRAMS:

Faith, Memory and Culture – The Holy Places

Holy Land Franciscans and staff maintain the holy places and shrines. This enables those who live in the Holy Land and those who visit to deepen their faith and their spiritual and cultural connection to salvation history.

Social and Charitable Activities

In order to assist Christians to remain in the Holy Land, including the poor and young couples, the Custody builds thousands of residential units. Additionally, they build senior care facilities. Medical assistance is provided for the needy.

Educational and Scientific Activities

The Franciscans operate and support schools open to all, regardless of religion or nationality. They provide scholarships for young men to answer the call to become Franciscan priests and brothers. Additionally, Franciscan archaeologists pursue ongoing research at the Holy Places.

Pastoral Activities

The Franciscans provide pastoral care in 29 parishes in the Holy Land offering worship, Christian formation, and necessary youth and family programs, especially in regions affected by war.

Liturgical, Ecumenical and Communications Programs

The Christian Media Center tells the story of the Holy Land through multimedia distributed throughout the world in more than seven languages. The friars organize liturgical celebrations for local Christians and pilgrims and share with other Christian communities in the Holy Land in ongoing ecumenical cooperation.

We Holy Land Franciscans are counting on your financial help to assist us in providing presence, care and service.
